eSense, the phone with strong aesthetic appeal

eSense offers the full range of practical telephony features and combines attractive design with must-have technology: cordless phoning, low-radiation fulleco mode and ultra-user-friendly operation. Thanks to the sophisticated curves of the handset and the elegant contours of the base, the phone is a genuinely decorative item and fits perfectly with any interior.
Another plus: the handset can be replaced vertically or horizontally, for versatile use and visual variety.
